Y Plans To Close Drive

The Torrance Family YMCA extended invitations this week to the entire community to attend the Victory Breakfast for the local youth organization. The Victory Breakfast will be held this Saturday, April 13, from 7 to 8:30 a.m. at the International House of Pancakes. The major purpose of the event will be to bring the YMCA's 1963 current support program to a successful conclusion. With the \$50,000 goal clearly in sight, the hope of Y officials is that final gifts brought to the event will boost the YMCA past its necessary target.

CAMPAIGNERS are being urged to complete their calls; families are asked to bring checks or pledges to the meal from their friends, neighbors and selves; and, business firms and groups are asked to bring or mail contributions in time for the final campaign gathering. At the present time, the local YMCA has received over \$45,000 in cash and pledges in order to carry on the ambitious work with more than 6,000 local boys and girls. This year's fund drive has been led by Mayor Albert Isen, Bert Lynn, Scott McIntire, Frank Deane, Rodney Swartz, Dr. Wing Y. Mar, and George Heaton. Top campaigners to date are Don Wilson, Ray Watt, Kurt Sherry, Gilbert Anderson, Scott E. Albright, Clifton Davis, and the leaders listed above. Board Chairman Allen Pyeatt will preside at the breakfast and will welcome all supporters of the YMCA program.

Union Carbide Receives Huge Foreign Order

A foreign aid-financed order for \$70,528 worth of polyethylene has been placed with the Union Carbide Chemicals Co. plant in Torrance, according to the Agency for International Development. Purchased by a firm in Cairo, Egypt, the order is financed under provisions of the United States economic development program which emphasizes procurement from American suppliers. The program keeps approximately two-thirds of AID-financed procurement expenditures within the U.S.

Street Plans Approved for Carson Area

Plans and specifications for the construction of streets in a new tract near 213th and Dolores streets have been approved by the Board of Supervisors. Work is to be done in conjunction with the tract development. Street plans were approved by the County Road Department. Cost of the project is estimated to be \$14,000. Completed streets will provide access to 12 homesites in the area.

Women Voters To Distribute Questionnaires

Candidate questionnaires compiled by the Torrance League of Women Voters are now available to the public. The free questionnaires are available at all branch libraries. Questionnaires include backgrounds of the candidates and their stands on issues and school policy.
